

# 40<sup>th</sup> International Heat Transfer Conference

June 26—28 2023

## PRELIMINARY PROGRAM

### Conference day 1, June 26 2023

09:30	Conference registration
10:00	Opening ceremony
10:40	Coffee break
11:00	Keynote Lecture prof. Ibrahim Dincer - Ontario Tech. University (CANADA) <i>The Role of Thermodynamics in Integrated Energy Systems</i>
12:00	Technical parallel session
13:00	Lunch break
14:30	Technical parallel session
16:30	Coffee break
17:00	Technical parallel session
18:00	End Conference Work Day-1
18:45	Guided tour at the Basilica di San Francesco

### Conference day 2, June 27 2023

08:30	Conference registration
9:00	Technical parallel session
10:40	Coffee break
11:00	Keynote Lecture dott. Gary Coleman - Langley Research Center - NASA (USA) <i>Numerical studies of turbulent supersonic plane-channel flows -- Implications for modeling high-speed boundary layers</i>
12:00	Technical parallel session
13:00	Lunch break
14:30	Technical parallel session
16:30	Coffee break
17:00	UIT Assembly
18:00	End Conference Work Day-2
20:30	Social dinner

### Conference day 3, June 28 2023

08:30	Conference registration
9:00	Technical parallel session
11:00	Coffee break
11:20	Keynote Lecture prof. Sauro Filippeschi - University of Pisa (Italy) <i>Wickless heat pipe applications: current advances and future perspectives</i>
12:30	Closing ceremony
13:00	Light lunch
